

When you're talking
academics
the word is
German !

Every **German** class offered at Timpview helps you prepare to get into the best universities. Across the nation, universities require high school students to complete two years of foreign language study. **German** is a great way to fulfill this entrance requirement! At Timpview, you can enroll in concurrent enrollment **German** 1 and 2 and receive **German** 1010 and 1020 credit at UVSC. These classes can be transferred to BYU and most other universities. Each class offers 5 college credit hours. You can already start to get college credit in your first German class! No other high school language class in the state can offer you this opportunity.

German 3 is an honors class, and **German** 4 is an AP class. Good universities are looking for students who have taken and done well in many honors and AP classes. If you pass the **German** AP test, you can get additional college credits beyond what you've already earned in **German** 1 and 2.

If you are seriously considering a college major in one of the sciences, fields of medicine, literature, humanities, art, film, or music, a knowledge of **German** will be extremely helpful in your studies.
